

INT. KITCHEN - CONTINUOUS

Passion and Grannie are talking.

*I got a call from some guy today.

(pause)

*Yes. He was calling to speak to my mother. He didn't know she had passed away.

(pause)

*Said he grew up with her. Called her Jess. He asked about you, too.

(pause)

*No, but I did ask. Do you have any idea of who he is -- Grannie? Do you have any idea?

(pause)

*Nothing. I'd like to know who he is.

(pause)

(nodding) *Maybe you could find out who he is.

INT. DEN CONTINUOUS

A very annoyed Passion comes in, grabs the remote off the table, turns the TV on and FLOPS onto a beanbag chair. Grannie enters.

*I don't want to talk.

(pause)

*No problem. Just not in any mood to talk.

(pause)

(flashes an unlikely look of frustration)

*Since recently! She said some hurtful things to me the last time we talked.

(pause)

*A while -- why?

(pause)

*What happened?
