

INT. T'S CAFÉ' - EVENING

(insecure) \*You're supposed to do everything in your power. Instead, you give your power away. Don't you see? They always go, but me, I stay... I stay home and wait for you --  
(firm) You're not the person you're supposed to be! But, how can I tell you this? Can I tell you this... (sad) I don't know. You're the adult I'm just the kid.  
(pause)

EXT. HOLLOWAY'S FRONT YARD - MORNING

It's a lovely morning. Passion is sitting on one of the swing seats reading, when Cameron comes and sits beside her. Cameron walks to the other swing seat, pushes off and starts swinging.

\*You're not going to turn into one of those girls, are you?

(pause)

\*Yeah, you know the type. When she gets a man she forgets her girls.

(pause)

\*I know, I was just throwing it out there.

(pause)

\*Don't be getting mad.

(pause)

\*I see that. Sorry, Passion.
