EXT. MR MARTIN'S APARTMENT (TERRACE) - AFTERNOON

Passion, Jordan, Nicole and Cameron are really enjoying themselves lying by the pool. They're playing around and catching up with each other.

JORDAN

\*So, Passion, we hear that you and Tra are a couple now.

NICOLE

\*Must have been an interesting summer, because the last we knew, he and Julia were together.

(pause)

\*I like spending the summers with our dad. We have lots of friends where he lives and the guys are nice, too.

(pause)

JORDAN

\*He does alright.

NICOLE

\*All he does is work. I think that's the reason he and our mom got divorced.

JORDAN

(frank) \*What do you mean you think? That is the reason.

NICOLE

\*That's why I love spending our summers with him. When we're with him during the summers, he doesn't work much at all.
