EXT. NIGHTCLUB - NIGHT

Jayde and Isabella sit on the balcony of the nightclub. Jayde takes a deep breath and exhales.

JAYDE

Wow, I am wasted.

ISABELLA

You're not the only one, girl.

Isabella grabs the railing.

ISABELLA (CONT'D)

Would you look at that beautiful city... Every time I look at any of these monuments, It reminds me of all my new opportunities.

JAYDE

It's funny...every time I see them, it just reminds me of the ones my dad didn't let me take advantage of.

ISABELLA

I know your parents only meant well.

JAYDE

Yeah...I guess my dad's a bit fascist because he just doesn't know any better. Sometimes I just wish maybe he had a passion like I once had. Maybe then this whole partying behind his back wouldn't seem so scary.

ISABELLA

You ever stop to think maybe he did? His could've been taken away too.

JAYDE

I haven't...

Jayde pauses for a moment before she notices a small cloud of hearts forming around her.

JAYDE (CONT'D)

Do you see it?

ISABELLA

See what?

Jayde reaches out to pop the hearts. They slowly disappear.

JAYDE

Doesn't matter. Even if you could,
its never here for long.

ISABELLA

What are you talking about?

JAYDE

My inspiration. The thing that's
kept me going all these
years...despite my lack of of
creative outlet.

Isabella grabs Jayde's shoulder.

ISABELLA

That's what I've been trying to
tell you Jayde. You have an outlet.
You just cant be afraid to use it.
Its that fear that creates lifeless
people. I know that's not you.

Jayde turns to Isabella who notices a tear in her eye which
she quickly wipes away.

JAYDE

This is a nightclub. We should be
having fun, shouldn't we?

ISABELLA

(smiling) We should. Besides, I
know two people who can get lucky
tonight.

Jayde turns to see Dan waving at her through the Window.

JAYDE

(laughing) Ummm...he's great, but I
think I'll pass.

ISABELLA

No reason we cant party some more,
though.

She starts to walk back inside but turns back to Jayde for a
moment.

ISABELLA (CONT'D)

Maybe you should pay him a visit
tonight. Alcohol usually helps me
get my feelings across.

She winks before she heads in. Jayde turns an ponders.
