

ACT THREE

INT. ZOEY'S APARTMENT - MORNING

Zoey stands in front of her closet, deciding on what to wear. She pulls out a dress and heels and puts them on. She's not very graceful. In fact, she's quite clumsy. As she walks around her apartment, she trips.

ZOEY

Fuck!

The next shot, we see Zoey sitting at her vanity table again. She sighs and starts applying the same lipstick we saw her put on before. Suddenly, her phone rings. She fumbles and messes up her lipstick. It says "Mom" on her phone. She answers.

ZOEY (CONT'D)

(in Korean)

Hello? Hi mom.

(a beat)

What blonde lady?

(a beat)

Yes, I got it in the mail.

(in English)

I'm...getting ready for work.

(a beat)

Ma, I have to go.

(a beat)

I'm not always too busy. You just always call me when I'm busy.

(a beat. In Korean)

What for?

(a beat. In English)

Don't overfeed the dog, ma.

Suddenly there is a knock at Zoey's door. She looks over at the door in a panic. She tries removing the lipstick from her face.

ZOEY (CONT'D)

(shouts)

Just a second!

(to phone)

Ma, I really have to go.

(a beat)

Yes, I promise I'll call you later.

(a beat)

Okay. Okay. Okay. You too. Bye.

She puts down her phone and opens the door. No one's there.
