

I.

Think of yourself as beautiful, sensual, and attractive. Get in that frame of mind. Then:

You spot this man someplace we would arrange, like a lounge. You try, but subtly, to get his attention.

Then you see him looking at you, and you subtly signal encouragement.

Sequence 1: Show us the look you throw his way to attract him

Sequence 2: Say this line "You look like an interesting man."

Sequence 3: Say this line "You look very familiar, like you're someone important."

Sequence 4: Say this line: "Young men don't measure up these days. They're boring boys. It's hard to find a good one, and a good one that's hard."

Sequence 5: Say this line: "No, I'm not kidding. I like the way you look. Do you like the way I look?"

Sequence 6: Say this line: "Why don't we get out of here and go someplace more private?"
